

Because of my unabashed love for animals, and cats in particular, it was a true pleasure designing Absolutely Purrfect's new business cards.

The two designs they chose were the woman chasing the cat (above) and the one with my cat, Bailey's picture (left).

**WHO WE ARE ...**

We are caring cat lovers who cannot resist trying to help innocent little furballs find their **Absolutely Purrfect** forever homes.

Until then, all our rescues are housed in foster homes where they receive total love and care.

**How YOU can help us in our mission**

- become a foster parent
- donate canned cat food
- volunteer on adoption days
- work with *Sunset Pets*
- make a monetary donation to defray ongoing veterinary costs

**Absolutely Purrfect**

Adoption Fee: \$60—\$100

*fee includes:* initial health evaluation, current vaccinations, spay/neuter

You will also receive important insight into your new cat's personality and habits by their foster parent, who has loved, played with, and socialized your new companion.

As a small rescue group, we cannot foster every stray or unwanted cat. However, we are happy to help you help the cats and kittens for whom you would like to find a home.

IF YOU CAN FOSTER THEM, WE CAN HELP YOU FIND THEIR

**Absolutely Purrfect** forever home.

Contact our Adoption Coordinator to volunteer.

The two designs to the left are for the back of the cards.
