HATE TO SEE DOGS CHAINED OUTSIDE 24/7/365? YOU CAN HELP!

HOUSE BILL 41 WAS RECENTLY INTRODUCED
IN THE PA HOUSE OF REPRESENTATIVES

If passed, this bill would:

- Prohibit tethering a dog outside 10:00pm to 6:00am
- Prohibit tethering during extreme weather conditions
- Require proper fitting collars; no prong, choke or pinch collars
- Minimum tether length; no tow chains

HOW YOU CAN HELP ...

Please go to www.unchainpadogs.com and ...

Find your state representative and make the call asking him/her to co-sponsor/support **House Bill 41**.

If you have not already done so, please **join the Coalition Against Tethering**.

Because we want to hear your thoughts on acceptable limits for tethering dogs outside, please **complete the survey** on the website.

You can do all three things in five minutes or less, but **most important is making the call to your state representative**.

THANK YOU!

*In memory of Teddy,
who languished in horrible
conditions at the end of
a four foot chain for years.*
